4. **You will be presented with the screen below. The first time you use the app you will need to select the 'Log In' button.**

   Get Access ✕

   In order to access your content, you will need a Wiley Online Library account. You will also need to sign up for roaming access from within your institution's network.

   We recommend completing the following steps on your desktop or laptop:

   - Register for a Wiley Online Library account, if you have not done so already.
   - Access Wiley Online Library from your institution's network, and log in.
   - Visit the "Roaming Access" section of "My Profile" and click "Activate Roaming Access."
   - Return to this app and log in. You will now be able to access your licensed content for 3 months, at which time you will need to re-activate roaming access.

   [Log In]

   For more information, visit

5. Finally, you will be asked to enter the username and password that you just registered with Wiley Online Library. Once entered, click the 'submit' button.

As long as your device connects to your institution's network every 3 months, the access to content through your app will continue uninterrupted.

For Assistance

If at first you don't see the overlay instructions described and shown in the instructions above, tap "Settings" (Gear Icon), then tap "Get Access."

You will then be presented with the onscreen instructions outlined above.
